

How to Navigate the new SSDAS IEP

November 2020

This tutorial will show you how to navigate the new SSDAS IEP.

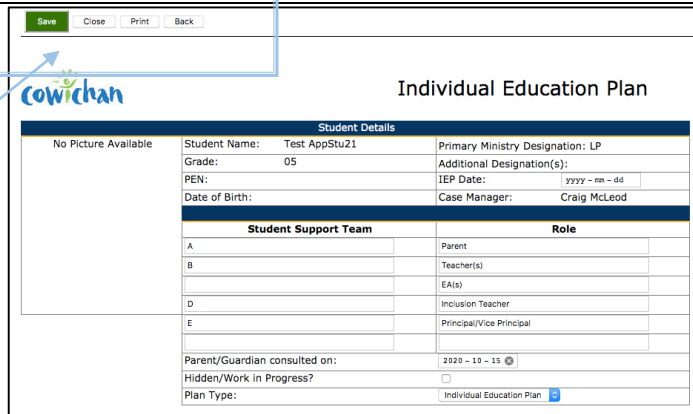

You must be assigned case manager to a student by Tech Services to view the student.

A student may have more than one case manager.

<p>Use only Safari or Firefox. Navigate to the SSDAS website to login. https://www.awinfosys.com/das2/sd79/default.asp</p> <p>Enter username and password. Email techservices@sd79.bc.ca if you need a user/password.</p>	
<p>Once logged in, on the sidebar, click on Teacher Portal.</p>	
<p>Click on IEP Entry.</p>	
<p>You will now see the following list of students to select from: Hover on the selected student you wish to edit/create IEP for and the selected student name will turn blue.</p>	
<p>Click on the highlighted student and an IEP window will open.</p>	

Save, Close, Print, Back

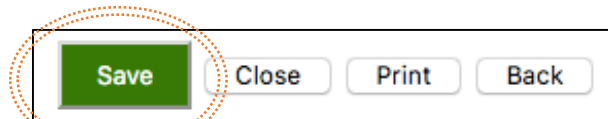

Located at the top left of the screen. It remains fixed there as you scroll through the IEP.

The screenshot shows the top of the IEP form. At the top left, there is a navigation bar with four buttons: Save (green), Close, Print, and Back. Below this is the Cowichan logo and the title 'Individual Education Plan'. The main content area is titled 'Student Details' and contains a table with student information.
