

I will be OK

Sometimes I want something I can't have.

Sometimes I can't have it because I am supposed to do my work first.

Sometimes I can't have it because I have to wait until play time.

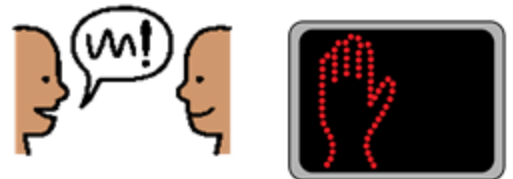

Sometimes people tell me "No, not now."

I don't like it when they tell me "No."

I can say "I don't like this." I will wait.

I am a big kid. I will be ok.
